A LETTER FROM THE EXECUTIVE DIRECTOR

So...what's next?

If you follow the Boys & Girls Clubs of Bloomington, you have likely noticed that we have a lot going on. Not only are there an untold number of activities and programs for our kids, but we are also regularly presenting numerous fundraising events, community projects, and youth advocacy efforts. We have also completed the BIG Futures Capital Campaign and are settling nicely into our new homes at all three Club sites. There has been so much happening!

We never lose sight of the relentless effort that must go into raising young people. The importance of serving every kid, every day is a task that must be met head-on. A day-off of raising kids is a day truly lost. If we do not have the

well-being of our youth in the forefront of our minds and actions, they are not receiving what they need to become the best version of themselves. With that said, our next three years will focus on three key areas:

1.) SAFETY | **Safety** is our #1 priority. Unlike any time in history, our kids are experiencing traumatic experiences throughout their young lives. The Clubs need to be consistently safe and nurturing places. Our board-led Safety Committee will be thoroughly vetting our policies and procedures while providing oversight to ensure compliance and excellence.

2.) STAFF | Attracting, identifying, hiring and training **top quality staff** is critical to our continued success. People are the key ingredient to the “magic soup” that influences the lives of our kids. We need to invest like never before in securing the role models and youth development professionals necessary to realize our greater outcomes.

3.) PROGRAMS | Our kids deserve world-class **programming**. Striving for such a lofty goal may seem to be an impossible reach, but we are committed to providing our youth with the experiences that will prepare them for the adult challenges ahead. Outcome-focused programs, led by well-trained and passionate staff (who have access to the necessary equipment and supplies), will allow our kids to develop into the best versions of themselves.

Every Kid. Every Day. This is not just a slogan - it is our focus and our purpose. What we have seen, time and time again: this community does not fail its children. On behalf of our Club youth, and the community they will impact, thank YOU for playing such a vital role in giving our kids what they need to become the caring, productive, and responsible adults we need them to be.

Sincerely,

A handwritten signature in black ink that reads "Jeffrey P. Baldwin".

QUICK INFORMATION & KEY STATISTICS

DAILY IMPACT

- Over **3,200** total youth served in 2019.
- There were over **2,000** registered members at the Club in 2019.
- As many as **575** kids were served each day after-school.

Boys & Girls Clubs of Bloomington provides a **SAFE PLACE FOR KIDS**

to be after school, on school breaks and during summer! Our programs impact the lives of youth Monday through Friday, providing the equivalent of **144 school days** of programming each year!

ACCESSIBILITY

Accessibility rests at the core of our mission. For only **\$20** per child (\$5 for members at the Ferguson Crestmont Club) annually, kids can become full members at the Boys & Girls Clubs of Bloomington!

Included for all Club members for no additional charge: transportation from school to the Club each day school is in-session, a healthy snack for every child each day (a dinner meal is provided to each child at the Ferguson Crestmont Club), a safe environment, access to more than 70 specialty programs, and supervision by trained, caring and responsible adult mentors.

ACHIEVEMENT

Over the past five years, Club members participating in Indiana Kids Tutoring **raised** their Math and Reading scores an average of **87%** and **57%**, respectively.

Additionally, a staggering **93%** of Club parents surveyed in 2019 “strongly agree” or “agree” that their child is **better prepared for school** from the help he/she gets at the Club.

SPECIALTY PROGRAMS FOR CLUB MEMBERS

Boys & Girls Clubs of Bloomington provides a place for kids to be introduced to new skills and activities that they may not otherwise be exposed to.

At no additional cost, the Club offers over **70** specialty programs in our three program areas to all kids who attend.

PROGRAM HIGHLIGHT:

ELLETTSVILLE

While LEGO League has been a popular program at the Club for several years, 2019 was the first participation year for the Ellettsville Club. 10-year-old Zoe, an Ellettsville Club member, instantly took to LEGO League - which is a program involving robot-building in a team competition format. Zoe helped guide the Ellettsville LEGO League team to their first-ever competition this past fall where they performed incredibly well! "LEGO League is so cool and so much fun!" To learn more about LEGO League, visit www.bgcbloomington.org/lego.

"I really liked meeting new people at the competition! We walked around and learned how other teams built their robots."

CLUB REVIEW

THE NEW ELLETTSVILLE CLUB SPACE

On April 13, 2009, the Ellettsville Club (then known as the Youth and Community Center of Monroe County) first opened its doors to the youth in the Ellettsville community. Fast forward 10 years later...the growth and impact has been incredible! Just in time to celebrate the Ellettsville Club's 10th Anniversary of serving the youth in the Richland-Bean Blossom community, the Club moved to a new facility in July with the official ribbon-cutting hosted on Thursday, August 8th! Relocating to the building previously utilized as the Edgewood Early Childhood Center on State Road 46 just west of Ellettsville, this new space offers the Club more opportunities than ever before to serve the community's youth. In fact, the Ellettsville Club finally has enough space to eliminate *what was* a growing wait list!

PROGRAM HIGHLIGHT:

FERGUSON CRESTMONT

Crestmont Creatives was an Art Show dedicated to the Art Club members of the Ferguson Crestmont Club this past November. Ms. Hadley, the Art Club Coordinator at the Ferguson Crestmont Club, collaborated with Rainbow Bakery to provide an opportunity for over 100 pieces of the Club's artwork to be displayed for an entire month. All works were available for purchase with 100% of the proceeds benefiting the Ferguson Crestmont Art Fund. In fact,

several pieces actually sold during the public display! Connor, a 10-year-old member in the Art Club was one of the participants who had their painting purchased, which gave him pure excitement and confidence!

Participants in the Art Club learn healthy and creative ways to express themselves while gaining a sense of accomplishment! Special thank you to Rainbow Bakery for their help

and enthusiasm! To learn more about the Art Club, please visit www.bgcbloomington.org/art.

THE ROTARY CENTENNIAL PLAYGROUND

In 2018, the Bloomington Rotary celebrated its 100-Year Anniversary. Under then-President Mike Baker, the Rotary raised \$100,000 to build a brand new playground connected to the Ferguson Crestmont Club! This centennial project was completed during this past summer and was officially dedicated on September 25th. The playground is housed on revolutionary flooring that absorbs impact and contains numerous structures for Club members to enjoy! We are so thankful to all members, past and present, of the Bloomington Rotary for their selfless service and for this transformative centennial gift that will truly stand the test of time!

PROGRAM HIGHLIGHT:

LINCOLN STREET

On June 29th, all three units of the Boys & Girls Clubs of Bloomington participated in hosting the annual Pancake Breakfast at BJ's Restaurant & Brewhouse. Unquestionably, this event was the most successful Pancake Breakfast to date as over 200 people attended and 50+ Club Teens helped organize the logistics of the event! More than just a simple breakfast, this innovative program - which was originally conceived at the Lincoln Street - teaches Club Teens how to take responsibility for THEIR teen program by raising money. The Pancake Breakfast is the vehicle to teach Club Teens about community outreach, customer service and

responsibility. In the months leading up to the event, teens are coached on developing important skills such as how to greet people, how to carry a conversation and how to explain the impact of the Club to guests. We are so appreciate of BJ's Restaurant & Brewhouse for hosting us and for their support of the Boys & Girls Clubs of Bloomington! To learn more about this unique event, please visit www.bgcbloomington.org/pancake.

ADVENTURE CLUB & BOUNDARY WATERS TRIP

Adventure Club, a program originating in the Lincoln Street Club, prepares Club Teens for a week-long trip to the Boundary Waters in Minnesota. Throughout the week, members learn traits such as how to set-up and take-down a camp site along with paddling/canoeing skills. Members return home with a sense of accomplishment with their new abilities to be self-reliant, trying new things and living for a week without modern conveniences.

This trip is made annually possible by a generous endowment provided by the Creek Family. To learn more about the memorable

trip to the Boundary Waters, please visit www.bgcbloomington.org/boundary-waters.

GRO SKATEBOARDING

Officially introduced during the SMART Girls, STRONG Women fundraiser in July, Girls Riders Organization (GRO) programming finally debuted at the Lincoln Street Club in October! Club members participating in the program learn the basics of skateboarding which include topics of safety, skills and maintenance. Led by Bloomington resident and the founder of GRO, Courtney Payne-Taylor, Club Teens will eventually be able to teach this skateboarding curriculum to our elementary-age members! GRO is an organization dedicated to empowering girls and women of all ages and was founded to inspire, educate and support girls to be confident leaders of change. More information on GRO can be found online at girlsriders.org. To see more about Girls Riders Organization's incredible influence at the Club, please visit www.bgcbloomington.org/gro.

COMMUNITY OUTREACH

FATHER DAUGHTER DANCE

The annual Father Daughter Dance promotes healthy father/father-figure and daughter relationships while providing a moment to create priceless memories. Not only is this a chance to bond, but fathers/father-figures have the unique opportunity to develop their daughters' positive self-image and set a standard of expectation to be treated with respect by the men in their lives.

In 2019, the Club hosted 500 guests at the Lincoln Street Club for "An Out of this World Evening." Guests enjoyed food, games, arts & crafts and (of course) a lot of dancing! The Father Daughter Dance is a free community event open to anyone who wishes to attend. We are so proud to provide this opportunity each year!

HOOPS HYSTERIA

Hoops Hysteria promotes teamwork between a child and an adult mentor in a bracketed, basketball-shooting tournament. The community event, which participation is free, is specifically designed to connect youth and positive adult role models through a passion for playing basketball, one of Bloomington's athletic staples.

In 2019, nearly 200 participants gathered at the historic Lincoln Street Gymnasium to compete in Hoops Hysteria. Instead of playing a traditional basketball game, the youth and adult team were paired against another duo where whichever team scored the most points in two minutes would advance in the tournament. No question that this event quickly became a fan favorite!

LEMONADE DAY

Lemonade Day is a free, fun and hands-on program that teaches youth how to start, own and operate a business - like a lemonade stand! This free outreach component teaches 14 lessons in entrepreneurship including creating budgets, repaying investors, setting profit-making goals, and so much more! Lemonade Day helps youth solve problems and gain self-esteem for future success. Our young entrepreneurs keep all the money they make, and are encouraged to “*spend a little, save a little, and share a little.*”

2019 marked the most successful Lemonade Day in recorded history as **921 kids** registered to participate last summer! Additionally, the average total revenue for each lemonade stand was **\$133.49** with an average profit of **\$99.95**! Special thank you to **Cook Medical** for serving as the Presenting Sponsor of Lemonade Day!

SUPPORT OF DONORS

The largest source of funding for the Boys & Girls Clubs of Bloomington is individual donors. Thank you for your kind support...[we cannot succeed without YOU!](#) A complete list of all 2019 donors is available upon request.

2019 DONORS

70%

Roughly 70% of all Club revenue comes from individuals in Monroe County.

1,500+

More than 1,500 individuals supported the Club with a financial gift in 2019.

550+

More than 550 donors gave through the **Our Kids** or **Big Hearts** Annual Campaigns to sponsor a child.

350+

More than 350 people provided an in-kind donation.

DONOR ENGAGEMENT

THE HERITAGE CLUB

The Boys & Girls Clubs of Bloomington kicked off the “Heritage Hundred” in 2018. The Heritage Hundred are the first 100 people to join our Heritage Club. To date, we have 24 members in the Heritage Club, and hope to hit our goal of 100 by the end of 2020.

What is the Heritage Club?

Heritage Club members are generous supporters who have agreed to include the Club in their estate plans in some benefiting fashion whether it be through a retirement plan, as an insurance policy beneficiary, in a final will, etc.

Have you included the Club in your legacy plans? If so, let us know! Are you interested in joining the Heritage Club? Come speak to us, and we will be happy to discuss your options and how you wish to be recognized.

PROVIDING A LEGACY GIFT

In 2019, a significant planned gift allowed the Club to increase the rainy day fund and solidify our initial goals of securing three months of operating costs and increasing the endowment fund. Another increase to our endowment fund was a generous matching opportunity provided by the Community Foundation of Bloomington and Monroe County (CFBMC), which increased our President’s Endowment by \$120,000. Twenty-two past Board and Auxiliary Presidents provided \$80,000, which allowed us to receive a \$40,000 match from CFBMC. Planned giving helps the Club ensure the future of our programs while allowing donors to leave a lasting legacy on the youth in our community for generations to come.

What can happen with a legacy gift to the Club?

Art & Wilma Hill left a planned gift that was used to build the boathouse at Camp Rock, which enabled a 25% growth in possible capacity! This growth simply does not happen without Art & Wilma’s legacy gift! The **Creek Family** provides generous funding for an annual trip for members who participate in the

Lincoln Street Club’s Adventure Club to visit to the beautiful Minnesota Boundary Waters (*pictured left*) each year for a week full of wilderness adventure! **What will your legacy be?**

THE BLUE DOOR SOCIETY

The Blue Door Society was created to recognize individuals and businesses who had a solidified giving history of at least five consecutive years to the Club. The Blue Door Society annually gathers for a cookout at Camp Rock during the summer months. In conjunction with the cookout, **BE GREAT** inductees are honored for playing a vital role in helping young people overcome their many obstacles and achieve their dreams no matter the circumstances. In 2019, six new valued Club volunteers and partners were honored, raising the **BE GREAT** inductee number to 44!

ALUMNI & FRIENDS CLUB

After a long time coming, the Alumni & Friends Club was officially launched in August this past year! The Alumni & Friends Club will participate in various activities and engagement initiatives including digitizing and archiving Club historical documents and pictures, spear-heading service projects, creating career-centered programs for Club members to discover, and assisting with free community events, such as Hoops Hysteria!

With nearly 100 members already joined, the Alumni & Friends Club is open to any individual who has a current or prior connection to the Club in any capacity. More information on the Alumni & Friends Club can be found online at www.bgcblloomington.org/alumni.

Special THANK YOU to the Alumni & Friends Club Steering Committee for helping guide the successful launch:
