On-Going Summer Volunteer Opportunities

Indiana Kids Volunteers (M-F, 1 - 3 p.m.)

Indiana Kids volunteers help out in our academic programming - science experiments, one-on-one reading, math competitions and much, much more! Volunteers will help K-5 members understand the activity and support the lead staff in implementation and clean up. Volunteers serve a minimum of two shifts per week.

Triple Play Volunteers (M-F, 1 - 3 p.m.)

Help out in our active programming and promote team-building, social skills, and overall FUN! Engage with youth ages 6 – 11 in small group activities such as basketball, dodgeball, kickball and more! Volunteers serve a minimum of two shifts per week.

Snack Supervisors (M-F, 3-4 p.m.)

Volunteers are needed to help pass out snack and ensure members are caring, productive, responsible, respectful and sage during snack time. Volunteers will also assist with clean up. One or two volunteers are needed each day.
