## WELCOME TO THE SHOW

On behalf of Boys & Girls Clubs of Bloomington and The Ken Nunn Law Office, we are pleased that you have joined us this evening for our annual **BOYS to MEN** event!

While we continue to wish that we were gathered together in-person tonight, we are so appreciative that you have made the commitment to join us in this virtual setting. We are sure by now that, like us, you are feeling “zoomed-out” and the idea of yet another “virtual thing” is simply not that appealing. Trust us...we get it. 😊

But tonight is not just another virtual event.

Tonight is about raising awareness, support and resources for our Club kids.

Tonight is about fulfilling the mission of empowering all young people - especially those who need us most.

Tonight is about the kids we passionately serve.

No question that the past few months have been incredibly challenging for all of us. Despite these difficult times, we have seen just how resilient kids can be. We hope you gain a sense tonight of what life is like at the Club for our members.

Additionally, we hope you understand the value and impact that our world-class programming - like **BOYS to MEN** - can have on a child's life.

Again, thank you for joining us tonight. We hope you enjoy **BOYS to MEN**!

## SUPPORT YOUTH PROGRAMMING

Did you know that for only **\$20.00 annually**, a child can attend the Boys & Girls Club and have access to a safe place while receiving world-class programming that focuses on academic success, healthy lifestyles and character development? The actual cost to host that same child at the Club is actually **\$675.00/year!** It is our responsibility to close this gap to ensure no child is left without Club access!

**We have \$17,500 in matching money available to DOUBLE all gifts made tonight during **BOYS to MEN!****

**LET'S CLOSE THE GAP TOGETHER - SPONSOR A CHILD TONIGHT!**

During the Fund-a-Need portion of the show tonight, there will be two primary ways to contribute and sponsor a child:

### MAKE A PLEDGE

Pay Before 12/31/2020

<https://bgcbloomington.org/pledgenow/>

### MAKE A DONATION

Pay Now

<https://bgcbloomington.org/givenow/>

Thank you for helping us fulfill our mission of empowering all young people - especially those who need us most - to reach their full potential as caring, productive, and responsible citizens.
