Please note that as our opening summer, this is the only summer that this price will be available for Summer Center Programming.

MEMBER ELIGIBILITY

HOW OLD DOES MY MEMBER NEED TO BE TO ATTEND SUMMER CENTER?

Members must be at least 5 years old and **have already attended Kindergarten.**

IS MY MEMBER ELIGIBLE TO ATTEND SUMMER CENTER?

In order to support the success and safety of all registered members, it is important that participants are “Club ready.” To assist in determining if a child is “Club ready” the following criteria have been developed:

- Able to participate in Club programs independently or with minor accommodations.
- Age 5**-18 years old.
- Able to use the restroom independently or with minimal verbal prompting.
- Able to take direction and instruction from a staff person.
- Comfortable with, and able to interact in a group environment.
- Can successfully participate in a group with an adult to child ratio of at least 1 to 20 (one adult to every twenty youth)
- Interacts and participates in programs in a manner that is physically and emotionally safe for themselves and others.
- Does not require physical intervention for redirection, direction, assistance, or for any other reason.

****5-year-olds MUST have already attended Kindergarten in order to attend Summer Center.**

DROP OFF & PICK UP

WHAT TIME CAN I DROP-OFF AND WHEN SHOULD I PICK UP?

Summer Center will run from 7:00 am - 6:00 pm Monday- Friday. With the exception of weeks that The Club is closed for a holiday. We ask that you drop off between 7:00 am and 8:45 am so your child will be on time to attend their morning field trips.

WHAT IS PICK-UP LIKE?

Adults should pick up members by 6:00 PM every day of Summer Center. The adult picking up each member needs to have either:

- 1) A valid photo ID OR**
- 2) The 4-digit pick-up code created at the time of member registration in MyClubHub.**

Adults without a photo ID or the 4-digit pick-up code will not be allowed to pick up a member. This is for the safety of our members.

It may take a few minutes for your member to put down whatever fun activity they are doing and make it to the front desk with their belongings. Please be patient while waiting, and have a conversation with your member about moving more quickly if you are in a rush during pick-up time.

WHAT IS THE LATE PICK UP POLICY?

There is a \$10 late fee for those children who are not picked up by 6:15 pm for summer & break days. There will be an additional \$1.00 for each minute thereafter. Given the limited capacity of the staff and the undue burden late pickups will cause, this policy will be strictly enforced.

If an emergency situation arises preventing the parent/guardian from picking up the child(ren) prior to closing time, it is the responsibility of the parent/guardian to coordinate alternate arrangements for pick up and to contact Club staff to let them know who will be picking up the child(ren).

Staff will make every effort to call parents/guardians and emergency contacts in case of a late pick up. If no one can be reached via phone within 30 minutes of the scheduled closing time, the police and Child Protective Services will be called.
