Located on beautiful Lake Lemon, Camp Rock offers a variety of exciting outdoor experiences. In addition to weekly field trips, campers enjoy programs including art, lakefront swimming and boating, fishing, sports & games, outdoor education, archery and gardening. Many camp programs will reflect the weekly theme and focus on fun and character development. Camp programs and schedules are age-progressive, offering more challenging and flexible programs to older campers while creating consistency and stability for younger campers.

WHO CAN REGISTER FOR CAMP?

Campers who attend Camp Rock must be at least 6 years old and entering grades 1-8. All campers must be capable of participating positively in a group setting with ratios of 1:8 for campers ages 6-8 and 1:10 for campers ages 9-13. Campers should also be capable of taking direction from adult leaders, be independent enough to care for their own belongings and basic personal needs-including having been toilet trained. **Notes on Camp Rock Registration for 2025:

Parents are expected to pay an \$85 deposit AT THE TIME OF REGISTRATION for each week of Camp Rock in which they register. Parents have until MAY 27, 2025 to cancel any registered camp sessions their family does not intend to attend without penalty. Beyond May 27, 2025, families will be expected to attend and pay for the sessions they have registered for. If campers do not attend registered sessions, families WILL be charged for the week(s) in which they have registered, even if they do not attend.
