

It is our **MISSION** to empower all young people, especially those who need us most, to reach their full potential as caring, productive, and responsible citizens.

Accessibility is at the core of our mission. To give children a chance to be seen, they have to be able to access the high-quality program the Club offers every day.

The Club offers more than **100 special programs** to spark a child's creativity and get them thinking about their future. These programs are offered at no additional cost to members of the Club. All programs are included in the \$ 20-a-year membership fee. Club programs may introduce kids to a lifelong passion, a hobby, or even a career interest. Programs are based in the Club's core program focus areas—Academic Success, Access to the Arts, Healthy Lifestyles, and Character & Leadership
